

## NAQEL Products and Services: Corporate Profile

## Our History and Geographic Reach:

Our journey started as Hala Express in 1993 with a fleet of 150 vehicles. In 2005, Naqel Express was born as a joint venture between Saudi Post and Hala Express.

Since then we have found home in 16 nations with a family of over 5000 employees - Saudi Arabia, UAE, Kuwait, Oman, Bahrain, Jordan, Egypt, Lebanon, UK, Turkey, China, Hong Kong, USA, Germany and India. This presence helps us make our vision of uniting across borders and horizons a reality.

Naqel Express is the largest logistics company in Saudi Arabia in terms of **NETWORK & PEOPLE.**

## Our Vision:

NAQEL will become the most preferred service provider in the Middle East by delivering **One-Stop-Shop Logistics with CARE.**

## Our Unique Offering and Strengths:

Our uniqueness lies in our ability to offer the widest range of product offering. We are providing seamless end-to-end logistics solutions for most industrial sectors in the Kingdom of Saudi Arabia.

With the largest network in the Kingdom, we are serving the remotest locations in the country and delivering to both businesses and individuals.

We offer door-to-door air and sea freight services from around the world into Saudi Arabia and the rest of the Middle Eastern Countries. Our Freight Service Desk based out of United States, Europe, United Kingdom, China, India and Egypt will ensure that you have a smooth and hassle free experience in importing your goods from around the world.

We will clear your shipments based on our multi-modal presence at all key air ports, land ports and sea ports. We have our own facilities at all the three key airports – Riyadh, Jeddah and Dammam. Naqel Express is the first logistics company in the Kingdom who was granted a customs clearance license. This gives us the ability to both clear your shipments and at the same time deliver your shipment to your doorstep. Typically, logistics companies in the Kingdom rely on individual customs brokers to clear their shipments.

### Product Range

- ✓ **Unique player in the market offering all logistics products**
- ✓ Serving both light & heavy weight shipments.

  - Deliveries in the remote locations.
  - Temperature control deliveries.

### Pharma & Healthcare Services:

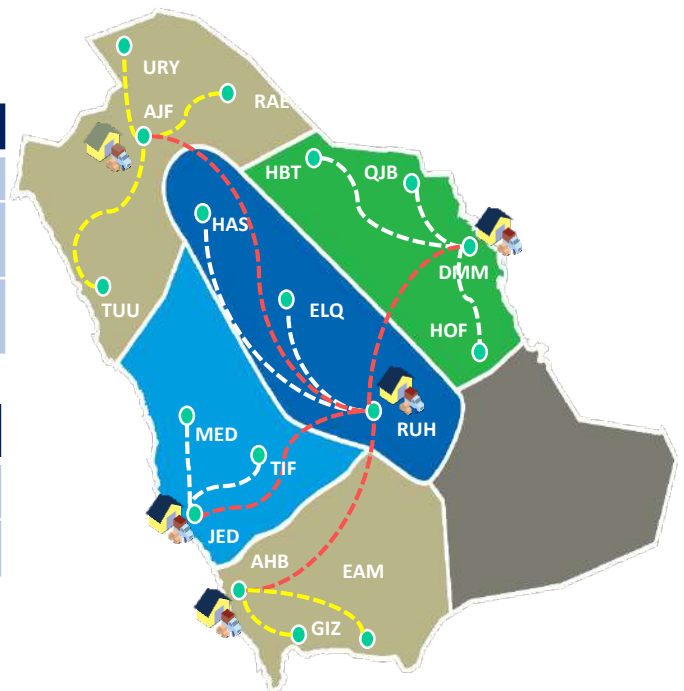

The pharmaceutical and healthcare industry is undergoing major transformation in the Kingdom. NAQEL is playing an important role in efficiently connecting different stakeholders in the country’s healthcare ecosystem. With cold chain warehousing facilities in the major cities and its temperature control vehicles and trailers, we are serving a multitude of hospitals and pharmacies. In addition to this, we are also working closely with Ministry of Health in the clearance of medical shipments and transportation of blood samples during the ongoing pandemic.

Our global air freight network is connecting major pharmaceutical and healthcare companies around the world to the Kingdom and rest of the Gulf region.

### NAQEL’s Pharma distribution network:

HUB	Riyadh	Jeddah	Dammam
STATIONS	MAC - Macca	MED - Medina	TIF - Taif
