June 1994 HALA Express operations starts with fleet: +150 Vehicles.

December 1993 HALA Express is formed.

Our express products are all about speed, agility and timeliness. Domestic Express will cater to your distribution and delivery requirements within a country. This product is currently been offered in Saudi Arabia and U.A.E. Standard and Pallet services will transport shipments more than 30 Kilos whereas Priority Express will ensure guaranteed delivery of light weight documents and parcels less than 30 Kgs before 12 Noon.

International Express will support your distribution and delivery requirements within the Gulf Countries ranging from standard day definite delivery of parcels and Full Truck Load (FTL) to fast time definite delivery of light weight documents and parcels.

Besides, we are also offering valued added services which are offered either as complimentary for the above services or with additional fees, e.g., Insurance services, same day delivery, weekend delivery, evening delivery, transportation of dangerous goods, proof of delivery, delivery notification, remote area delivery, etc.
